Artist: Michael Franti
Song: Sweet Little Lies

Vamps between G & C

You tell me lies, lies, lies
Sweet little lies
When I cannot bear the truth
You tell me lies, lies, lies
Sweet little lies
Help me make them all come true

Tell me that the rain won't fall today
Tell me that the tax man lost his way (oh, oh)
Tell me that the hurtin aint gonna hurt no more
Tell me that somebody stopped the war (please tell me)

Tell me lies, lies, lies
Sweet little lies
When I cannot bear the truth
You tell me lies, lies, lies
Sweet little lies
Help me make them all come true

I said yeah, yeah, yeah, yeah, yeah, yeah, yeah
I said yeah, yeah, yeah, yeah, yeah, yeah, yeah

Tell me that the whole world's wonderful (yes it is)
Tell me that the bank account's too full
Tell me that we all got plenty of time, time, time (tell me somethin)
Tell me that I ain't gonna lose my mind

Tell me lies, lies, lies
Sweet little lies
When I cannot bear the truth
Tell me lies, lies, lies
Sweet little lies
Help me make them all come true

And you know I'm just a man — Am
With my heart in my hand — D
You tell me things at home
And go once more and leave me alone
And even though I got no place
For I'm on the run from the man

Jam on the Am D; double time.

Just hold on to me
Just hold on to me

Everytime I need a prayer
Everytime I need to share
Everytime I need someone to hold on to me

Tell me lies, lies, lies
Sweet little lies
When I cannot bear the truth
Tell me lies, lies, lies
Sweet little lies
Help me make them all come true

Help me make them all come true
Help me make them all come true
Help me make them all come true
Help me make them all come true
Help me make them all come true
Tell me that the whole world's wonderful
