

Let My Love Open The Door by The Who

G D C

When people keep repeating
That you'll never fall in love
When everybody keeps retreating

But you can't seem to get enough
Let my love open the door
Let my love open the door
Let my love open the door
To your heart

When everything feels all over
When everybody seems unkind
I'll give you a four leaf clover
Take all the worry out of your mind

Let my love open the door
Let my love open the door
Let my love open the door
To your heart

I have the only key to your heart
I can stop you falling apart
Try today, you'll find this way

Come on and give me a chance to say

Let my love open the door
It's all I'm living for
Release yourself from misery
There's only one thing gonna set you
free

That's my love
Let my love open the door
Let my love open the door
Let my love open the door
To your heart

When tragedy befalls you
Don't let it drag you down
Love can cure your problems
You're so lucky I'm around
Let my love open the door
Let my love open the door
Let my love open the door
To your heart
