

The Story

Listen everybody D
Please lend me your ear. G
Grab a coke and a whiskey D
Wine spritzer or a beer. G

This is not a parable D
A chronicle or fairytale G
It's an important piece of history D
Right down to the last detail G

I have a story to tell F G D
People listen to me well. F G D

It's a story that you've heard of
And every detail is true
Although how you perceived it
Has a big effect on your mood

It's not to be taken lightly
And has three parts to its log
The biggest impact was me,
your internal monologue.

I have a story to tell
People listen to me well.

So this story is your life
Now at the beginning, middle or end
Is it how you'd like it?
Or something you have to defend?

It's not too late to change it
If it's distasteful or a curse
We endorse some rhythm
Guitar, bass and verse.

This is your story to tell
Tell me, did you listen to it well?
